Availability of the 2018 Registration document

Voltalia (Euronext Paris, ISIN code: FR0011995588), an international player in renewable energies, announces today the availability of its 2018 Registration Document.

Voltalia announces today that its 2018 Registration document (covering the 01/01/2018 – 31/12/2018 period) has been filed with the French *Autorité des Marchés Financiers* (AMF) and is now available to the public.

The Registration Document includes:

- the annual financial report;
- the management report including notably social, societal and environmental information;
- the Statutory auditors' reports and the information related to their fees;
- the Board of directors' report on corporate governance; and
- information on the share buyback program.

The document is available today in French on the AMF website (www.amf-france.org) and on the Company's website (www.voltalia.com). The English version of the document will also be made available shortly on the Company's website.

Next on the agenda: Q1 2019 revenues on April 24, 2019

About Voltalia (www.voltalia.com)

- Voltalia is an international player in the renewable energy sector. The Company produces and sells electricity generated from wind, solar, hydro, biomass and storage facilities, with a total capacity of 911 MW either in operation or construction as of today.
